## MICROCHIP ADDED TO EXISTING PASSPORT

**In accordance with The Equine Identification (England) Regulations 2018, all equines (other than free-living ponies covered by a derogation) must be microchipped before the following dates:**

**1 October 2020 (England)**

**12<sup>th</sup> February 2021(Wales)**

**28<sup>th</sup> March 2021 (Scotland)**

The vet will put a microchip barcode sticker in the passport then sign and stamp next to it.

As the owner, please complete the top half of this form and then ask the vet to complete the bottom half. Please return the form to the Society (Woodmans, Brithem Bottom, Cullompton EX15 1NB) so that the database can be updated and the information uploaded to the Central Equine Database.

#### PRIVACY POLICY

This policy sets out the basis on which any personal data we collect from you, or that you provide to us may be used. This data may include your name, address, email address and telephone number.

For all equine passport applications and transfers of ownership, your name and address together with the equine's details will be recorded on our database and supplied to the Central Equine Database as required under the legislation.

These details may also be requested by DEFRA and equivalent organisations in Scotland and Wales as well as enforcement bodies such as Trading Standards, Food Standard Agency and the Police.

In addition to the above, data held on ponies registered in Section 1 and their breeder's name and address will be published in the Society's stud book print outs and on the online studbook where breeders/owners can also opt to have their details including telephone and email contacts.
