2 nd Finan 286/17	Harry Defty age 7	1005
3 rd Dunsmore Glenmorangie H1/13	Christopher Farley Brown age 11	580

Best Newcomer: Ella Defty and Barhill Marigold

Our performance ponies have been out there showcasing the versatility of the breed again and have done us proud. They have been active in the show ring both on the flat and over WHP jumps, the dressage arena, trec, long distance riding and the hunting field.

The performance awards are open to all registered Exmoor ponies owned or ridden by an EPS member. It is open to ponies participating in a variety of events at all levels and is not restricted to high level competition.

Adult Winner, Blackthorn Poem, gained most of her astonishing score competing in affiliated dressage but also found time to attend a few shows with great success.

Second placed Danelaw Jupiter is proving to be a very versatile mount for Paula Kay. Jupiter has been competing in dressage, showing, trec and long distance riding.

All of Warrenmere Woodcock's points came from the show ring, where he acquitted himself very well, including a trip to HOYS.

Junior winner, Barhill Marigold is not new to the performance awards but she has a new jockey, ten year old Ella Defty. The duo have had a very successful season competing in affiliated lead rein classes.

Brother Harry Defty also had a very successful lead rein season with Finan. Mum must be super fit after all that running!

Dunsmore Glenmorangie, proving she is a genuine family pony, was entered in both sections competing in ridden showing with Christopher and dressage with his mother.

Well done to all entrants and congratulations to the winners.
If you have never entered before please do this year. All the details are on the EPS website
