

Exmoor Pony Society Adult Performance Award 2023 Results

Many thanks to everyone for entering. Reading the entry forms and seeing what people have been up to with their ponies is always inspiring. Last year ponies were out competing in showing, both flat and WH. Exmoors seem to excel at dressage, with some excellent results. They also took part in hunting, endurance riding, pleasure rides, jumping and a ridden breed display. This really showcases how versatile our wonderful ponies are. Thank you to all entrants for flying the Exmoor flag!

Congratulations to the winners.

A special mention must go to Dunsmore The Famous Grouse who has now retired but has won the Performance Award many times over her long career.
