

Exmoor Pony Society
Junior Points Award
Results

This year has seen a good number of entries with nine young riders entering with a total of eleven ponies.

The future of the breed looks very promising with so many young enthusiasts out participating in a variety of activities including dressage, arena eventing, pony club, WHP, ridden showing, combined training, fancy dress and fun and farm rides. Well done everyone who entered. You have all achieved so much.

Please enter again next year. You have a whole year now to get out and about with your beautiful ponies!

Many congratulations to the winners.
