

E.P.S. MIDLANDS AREA POINTS AWARDS 2024

Open to Exmoor ponies owned and, if applicable, ridden by a paid up member of the Exmoor Pony Society. A member may enter as many ponies as they wish but each pony must have a separate point sheet. Where a pony has more than one rider, each rider requires a separate entry sheet. Points sheets may be photocopied or downloaded from the EPS website, OR a spreadsheet (Excel, Numbers) can be emailed.

It is not necessary to have the entry form signed by a show/event organiser, however the secretary reserves the right to check any or all of the entries. Entrants must therefore be prepared to provide proof of any or all placings if requested to do so.
